

Multi-use functionality

With the included glass “memo” magnets, the “Foreverwhite” Glass Whiteboard® doubles as a magnetic tackboard as well, allowing the display of charts, pictures or notices.

- No unsightly “chalk tray”.

The attractive pen and eraser organizer set simply “clicks” magnetically right to the board.

- The sophisticated and classic style of the “Foreverwhite” Glass Whiteboard® makes it a true work of art.
- The **best performing** dry erase board ever made!

“Finally... a whiteboard worthy of our newly remodeled conference room. High-tech and classic appearance - just the image we try to project.”

Why a “Foreverwhite” Glass Whiteboard® ?

Simply a better dry erase board!

- Designed and manufactured in the U.S.A. 
- The quartz hard surface will **never** absorb inks or stains... even permanent marker is easily removed with no “ghosting”!
- Will last a lifetime with no visible signs of wear.
- Very impressive appearance.
- Virtually no maintenance!

“I enthusiastically recommend the “Foreverwhite” Glass Whiteboard. It’s the coolest dry erase board we’ve ever had. It erases cleanly and easily and always looks perfectly new.”

Best looking and best performing whiteboard in the world!

Beautiful and functional

The rich beveled edges and stainless steel hardware make the “Foreverwhite” Glass Whiteboard® perfect for any well appointed executive office or boardroom.

Standard dry erase pens write so smoothly and erase so cleanly, **everyone** will love using this whiteboard.

Custom engraved logos are available.
